SAY HELLO

TO A NEW GENERATION OF SCRUBS

The workplace is changing. Forget cold and clinical. Health and beauty is a dynamic, fluid and amazingly technical industry and we think the uniforms you wear should be too. So, we've put our heart and soul into creating the perfect range of uniforms designed for today's health and beauty professionals.

And we know you're going to love the results.

Think activewear meets professional uniform. Technical fabrics engineered with super 4-way stretch. Tunics and pants designed for comfort and compliments.

Breathable base layers that feel like a second skin. All in a range of team colours that are anything but dull, so you can make light work of the toughest days.

Because when you care for people 24/7, you need a uniform that takes care of you.

BETTER BY DESIGN

ETHICAL, SOCIAL & SUSTAINABILITY

Like you, we believe in the ethics of sustainability. So, when it comes to lessening our impact on the planet, we're committed to better.

Better materials created using recycled fabrics, rather than virgin resources. Like tunics containing recycled polyester from used bottles. And underscrubs made from recycled nylon.

Better packaging with polythene bags made from 100% recycled PET, and FSC-certified paper and card.

Better partnerships with manufacturers, distributors and resellers who we trust to share our values.

IT'S NOT ABOUT US IT'S ABOUT YOU

4-WAY STRETCH

Our technical fabrics are engineered for flexibility, so you're free to flex, stretch and bend too.

BREATHABLE FABRICS

The recycled polyester fibres let air circulate and wick away moisture, so you stay cool and comfortable.

LIGHTWEIGHT STYLES

Our tunics and pants feel so light and comfortable, you'll forget you're even wearing a uniform.

BEAUTIFULLY PRACTICAL

Our garments don't just look good, they are durable with practical features you need to perform at your best.

COLOUR CONFIDENCE

A contemporary twist on classic colourways will make your team look a shade more professional.

EASY CARE

Our high-quality garments are crease-resistant, designed to wash cold and look smarter for longer.
